

Product Specification Sheet

Targus 17" Aluminum Attaché Laptop Case

Part #: TED001

Product Description:

This is the notebook case you've been waiting for. Sleek yet rugged, distinguished yet cool; the Targus Aluminum Attaché Notebook Case is the notebook case for the new mobile movement. Constructed of aluminum, this attaché style case offers a classic look with a futuristic update. The padded interior securely holds notebooks with up to 17" screens and dividers are provided to attain the perfect fit. Use the ergonomic handle or clip on the removable shoulder strap for the carrying option of your choice. Internal organization components include document storage, padded mobile accessory sleeves, pen loops and a business card holder. This isn't your father's briefcase -- the Targus Aluminum Attaché Notebook Case represents the next generation of mobile computing.
